#### TASTING NOTE

Steel pale lemon, fine mousse. Intense nose offering floral, lactic and dark berry fruit notes, backed by light pastry notes. Creamy attack, with a fine yet crunchy bubble. The wine opens to tart red fruits and a mineral touch. Persistent finish thanks to the retronasal recurring fruit character.

#### GASTRONOMY

A mouth-watering sparkling wine that combines perfectly with grilled and pan-seared fish, including fattier fish such as Salmon and Tuna. This Cava also pairs well with cured and smoked fish. An excellent companion to white meats with berry sauces as well! Due to the Cava's creamy character, it accompanies quiches and savory cheese dishes (mushrooms, bacon or cured ham) equally well.
